

Call for Proposals

“Leading to Learn & Learning to Lead”

Saturday, February 27, 2027 · Palomar College Education Center, Rancho Bernardo

From education leaders to classroom teachers — share your expertise with the San Diego math community. Propose a 75-minute, hands-on session in one of our five foci:

Coaching

Growing each other's content and pedagogical knowledge

Collaboration

Centering all student voices and diverse ways of sense-making

Content

High-demand cognitive tasks that bring STEAM into math class

Communicators

Building academic language that supports every learner

Culture

A culture of learning among all adults and all students

Submit your proposal by October 17, 2026

Selected speakers hear back by mid-November and receive complimentary registration, a one-year GSDMC membership, and travel & handout reimbursement.
