

THE GREATER SAN DIEGO MATHEMATICS COUNCIL PRESENTS

COUNT≠D OUT

A documentary about why math belongs to all of us

FREE TO ATTEND – ALL ARE WELCOME

Saturday,
October 10, 2026

2:00 – 4:00 p.m.

Wangenheim Middle School Theatre

9230 Gold Coast Dr, San Diego, CA 92126

Counted Out explores how math and algorithms quietly shape modern life — from elections and employment to the decisions made on our behalf. Directed by Vicki Abeles and featuring mathematician Ismar Volić, the film makes the case that mathematical literacy is essential to full participation in a democracy.
